

## **Is Consumer Driven HealthCare the Answer?**

Atlantis Health Plan has partnered with **Choice Care Card** to offer Consumer Driven plans.

Everything You'd Expect From Health Insurance...Except the High Cost!

For years, expensive insurance has been offered as the only way to provide you and your employees with comprehensive health insurance coverage. With **Choice Care Card**, <http://www.choicecarecard.com>, Atlantis members will be able to manage their healthcare more closely by electing Debit Card - based health reimbursement arrangements:

**Atlantis Health Plan's premiums compared to all other commercial plans-- and our annual increase is almost always the lowest.**

- **All Atlantis plans are Open Access**
  - No referrals are needed to see specialists
- **Over 15, 000 provider locations**
- **24/7 Physician operated hotline**

Beginning in Fall of 2005:

**Atlantis Health Plan is excited to announce the opening of Atlantis Outpatient Centers.**

### **What are Atlantis Outpatient Centers?**

Atlantis Outpatient Centers were created so that Atlantis members have a convenient way to receive outpatient medical services— with **no co-pay** and **no pre authorizations** -- while maintaining their relationships with their doctors and hospitals.

The services available at Atlantis Outpatient Centers are:

- |  |                                    |
|--|------------------------------------|
| • <b>Blood work</b>                    | • <b>Physical Therapy</b>          |
| • <b>Sonograms</b>                     | (lower back, neck and joint pains) |
| • <b>EKG</b>                           | • <b>Minor local surgery</b>       |
| • <b>X-Rays</b>                        | • <b>Second opinions</b>           |
| • <b>Acute Care Needs</b>              | • <b>IV/IM therapies</b>           |
| (lacerations, fever, cough, pain etc.) | • <b>Endoscopies</b>               |
| • <b>Pre-surgical testing</b>          | • <b>Wound Care</b>                |
|  | • <b>Immunizations</b>             |

And coming soon:

- **Imaging Center (CAT SCAN/MRI)**
- **Ambulatory Surgery (Surgi-Center)**

### **Why use Atlantis Outpatient Centers?**

In addition to saving time and money, Atlantis Outpatient Centers will provide Atlantis members with better coordinated health care.

- **NO CO-PAYS**, Deductibles or co insurance for any services, including \$50 co-pays for ER visits. No claim forms or payment required.
- **No pre authorization required for any services performed at the Centers.**  
Your Atlantis Health Plan member ID is all that is necessary to provide you access to top quality health care.
- **24/7 Urgent Care Access-**  
Direct Access to one of Atlantis' doctors at any time for Acute Care treatment.
- **Personal Health Records online-**  
Your complete medical and prescription history will always be accessible to you and available for review by your doctors. (see details below)

#### **Who gets to use the Outpatient Centers?**

Atlantis Outpatient Centers are available exclusively to Atlantis Health Plan members. .

#### **Personal Health Record**

Beginning in late 2005, Atlantis members will be able to manage their personal healthcare—online, by logging on to <http://www.atlantishp.com>

Atlantis members will be able to:

- access lab results and historical medical data
- view prescription histories
- access all x-ray, sonogram, CAT SCAN and MRI reports.

**Save time. Save money.**

**Be in charge of your healthcare.**
