

Comprehensive Davis Vision Discount Plan

LIA Health Alliance

Introduction

As a LIA Health Alliance member, you and your covered family members now have access to a comprehensive Davis Vision discount program. This plan offers great discounts on routine eye care services, frames, spectacle lenses and contact lenses.

Where are Davis Vision Providers Located?

Davis Vision has the largest vision network in the Northeast, approximately 1,200 participating providers throughout Long Island, New York City, Northern Suburbs, New Jersey and Connecticut. Providers are conveniently located near your home or office. To locate the nearest providers in your area, please visit us at davisvision.com or call us at 1.800.783.3594.

What does the plan cover?

The plan offers fixed discounted charges for:

Eye Examination: including dilation, as professionally indicated

Frames: featuring the exclusive Collection, which represents over 220 frames to choose from, as illustrated below

Davis Vision Exclusive Collection (Frames)*		
Level	Tag	# Of Frames
Designer	Red	95
Fashion	Yellow	78
Premier	Blue	49
TOTAL		222

*Representing over 400 varying styles and colors

Spectacle Lenses: including all standard lenses – single vision, bifocal or trifocal – in any prescription, with glass or plastic lenses available. Standard, oversized lenses and tinting are also included.

Contact Lenses: access to LENS123®, a mail order replacement contact lens service providing members with a fast and convenient way to purchase contact lenses at significant savings.

See how much you'll save...

Here are some examples of popular eyeglass frame styles and lens types available through the program:

Service Eyewear	Average Retail Price	LIA Member Discount Price	Average Savings
